

House Resolution No. 182

Whereas, the Missouri House of Representatives is fully cognizant of the important role which the Boy Scouts of America organization plays in offering a well-rounded program of activities designed to prepare young men for the many diverse challenges of responsible citizenship; and

Whereas, Tyler Robert Sanders of Clinton, Missouri, has been privileged to participate in such activities as a loyal, diligent, and industrious member of Troop 430, which found him worthy to receive the rank of Eagle Scout; and

Whereas, Tyler culminated his Scouting endeavor with the successful completion of his required Eagle project that took him many hours to plan, organize, and carry out for the overall benefit of others by repainting the interior of the Clinton Press Box at Clinton High School; and

Whereas, the son of Clint and Karen Sanders, Tyler always took the time and continually put forth the energy to perform his duties in the most efficient and effective manner possible and truly excelled while assuming responsibility as Quartermaster and Instructor; and

Whereas, Tyler has ample reason to be exceedingly proud of his other impressive achievements which include going on a High Adventure trip to the Boundary Waters and earning the Arrow of Light, twenty-one merit badges, the Mile Swim award, BSA Snorkeling certification, the World Conservation Award, and the status of Brave in the Tribe of Mic-O-Say, where he has taken the name Swift Breeze in the Treetops; and

Whereas, it is only with the commitment, ability, and enthusiasm of such young Missourians as Tyler Sanders that America can continue to maintain respect as the greatest nation in the world:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-first General Assembly, join unanimously in conveying to Tyler Sanders a message of appreciation for his steadfast determination to succeed in Scouts, in congratulating him as he attains the rank of Eagle, and in wishing him much fulfillment in pursuing new avenues of challenge in the years ahead; and
